Global and Regional, the new paradigm for treasurers

BNP Paribas Group and our partners are pleased to inform you that the **Cash Management University** will take place on the 28th and 29th of May 2015 in Paris.

The theme for this year's event is: "**Global and Regional, the new paradigm for treasurers**"

The Cash Management University is a unique opportunity to exchange and seek solutions from numerous practical pan-European & worldwide case studies, and to learn from key industry players.

Join other 200 treasurers and senior finance professionals in exploring and debating new techniques to improve your business performance at home, across Europe and beyond.
