

DACT Treasury Fair 2016

published on 23.09.2016

November 10 - 11, 2016 Noordwijk

The DACT annual fair will include practical workshops and professional presentations on current trends and developments.

Just like last year, the Treasury Fair will offer a Masterclass and workshops. The Masterclass will be given by prof.dr. Arnoud Boot, from the University of Amsterdam. A range of workshops will be led by treasurers/DACT members. Together with other specialists, they will discuss topical subjects such as financing, treasury management and the relationship with banks.
