

THE FUTURE OF COMMERCIAL CREDITS AND THE UCP GOVERNING RULES

published on 22.10.2018

In the September edition of Documentary Credit World [www.doccreditworld.com], BNP Paribas Trade Experts tell about the context of trade and trade finance in which documentary credit, prone to profound and radical changes, operates. Documentary credit remains amongst the most expedient enablers in the trade (finance) domain but we cannot escape the storm of change coming towards us.
